

Dear Santa Clara Unified Adult Education Student,

Santa Clara Adult Education will be closed for three weeks, from Saturday, March 14, 2020, to April 3, 2020. Our school's closure is due to new guidance from public health experts on the reduction of group gatherings from 250 people to 35 people. We will be planning on how to meet this new guideline in the upcoming weeks.

Given that this is a new development, we will be reaching out to you with further information about class credit and rescheduling of courses in the upcoming days.

Our Superintendent, Dr. Stella Kemp, sent out a [message](#) to parents and our school community with additional information on our school closures. The district has also developed a Cold and Flu webpage where you can keep updated on developments, including our plans to re-open our school on April 6, 2020.

We appreciate your support and patience as we manage this difficult health crisis. Please take good care of yourself and those around you.

Thank you,

Brenda Carrillo, Ed.D.

Director, Educational Options
